HKIPM had organized a visit to the above three completed projects on 26th April 2008 & 15th May 2010 before which received great support from members. We will also visit these three completed buildings as a follow-up subsequent to visit to the two construction sites.

All participants must plan and arrange their own transport to Guangzhou East Railway Station in China for assembly as mentioned above. Those travelling from Hong Kong may travel on the Intercity Through Train departing from Hung Hom Station at 08:18am or by any other means of transport as preferred.

Background of sites:

1. Zhujiang Xincheng North Tower (广州珠江新城北塔) is an office development of 广州越秀城建. The site area is around 10,000 m² and the total construction floor area is about 210,000 m².
2. Zhujiang Xincheng East Tower (广州珠江新城东塔) is developed by Guangzhou Xinyu Properties Co. Ltd. (广州市新御房地产有限公司) which is 100% owned by Chow Tai Fook. Upon completion, it will become the tallest building in Guangzhou. It is a mixed commercial development consisting of retail at basement, office, hotel and service apartment with a total construction area of 489,706 m².
