---

## Language

Cantonese (supplemented with English terminology)

## Highlights of Seminar

Synergy Biz Group Limited (“Synergy”) is a passionate team of professionals with backgrounds in architectural design, project planning and development consultancy. Synergy is dedicated to providing innovative solutions to the youth of Hong Kong through the idea of “co-space”. Synergy revitalizes underutilized properties into creative, practical and affordable co-living, co-working and multi-purpose spaces with the aim of creating an extended community circle for the next generation.

In her presentation, the guest speaker will share the challenges and opportunities in developing co-space projects, with particular focus on Hong Kong situation. She will also present the team’s efforts in creating co-working and co-living spaces across the territory, including Synergy’s latest co-living project “Bibliothèque” located in Mongkok, Kowloon.

## Biography of Guest Speaker

Ms Addie Cheng is a Registered Architect, and the Co-founder and Director of Synergy Biz Group Limited. Addie has been active in the architectural industry for over 15 years. She has a wide spectrum of professional knowledge and experience on various kinds of projects. She is particularly strong in property investment, statutory submission and project execution from contractual management to site co-ordination. Prior to joining Synergy Biz Group Limited, she worked for well-known architectural firms and the government sector.

Addie is also active in academic activities. She is now serving as a Lecturer for the Vocational Training Council and the University of Central Lancashire. She has delivered lectures in various seminars and courses related to architectural studies, construction management and current statutory control for all kinds of professionals and contractors.
